TO INVESTIGATE

Assess the basis of meaningful family involvement in your school community.			
FINDING #1	Rate your school 1 to 5 1=not at all; 5=completely	What can I do individually about this?	What can my school community do about this?
1. There are opportunities in my school for families to share their stories with each other and the school staff community.			
2. My school communicates individually with families.			
3. Families priorities and needs are assessed effectively.			
4. Families participate in designing family school programs.
